

## LAST DATE TO UPDATE IMPORTER EXPORTER CODE (IEC) – 30<sup>th</sup> June 2021

When to  
update IEC?

As per DGFT Notification No. 58 / 2015-2020 dated 12.02.2021:

**An IEC holder has to ensure that details in its IEC are updated during April to June each year**

**What if there are no changes in IEC details?**

- IEC details needs to be confirmed online

**What if either IEC is not updated or no action is taken by IEC holder by 30<sup>th</sup> June 2021?**

- IEC will be deactivated

**How to re-activate the IEC which is de-activated due to non-updation within prescribed time limit?**

- IEC will be re-activated automatically on its successful updation. However, actions can be taken for violation of other provisions of FTP
